Group Expectations

Stat 230 - Spring 2026

Group Members:

1. What does 'participation' look like at a minimum? (i.e. what are the expectations for a "passing" participation grade?)
2. What does "above and beyond" participation look like? (i.e. what are the expectations for an "A" participation grade?)
3. I (Amanda) am a member of your team, too! Tell me what I can do in my role to help you perform yours.
